Dear Mr. Ibarra:

Please accept this email message as a letter of support for the
above-referenced project and please include in the file.

"The Center offers a home and hope to those in despair. We must expand
programs like the Center that offer individuals care and support for our
most vulnerable youth and seniors."

- U.S. Senator Dianne Feinstein

To not agree with the sentiments expressed by Senator Feinstein would be
to turn our backs on the desperate needs of our fellow stakeholders.
Therefore, I support all aspects of the development of this mixed-use
project that would provide services and affordable housing for
underserved populations, including at-risk senior and young adults in
the LGBT community. And, further, I support all requested actions.

In state-of-the-art facilities, the Center can continue its moral imperative to allow LGBT to thrive as healthy, EQUAL and complete members of our community. The new campus will continue to be a symbol of hope for LGBT individuals and family.

I urge your support of this project.

Sincerely,

Laurie Goldman
